New Pendant Lights from Diffuse

Diffuse lighting in simple classic shapes is designed by Lucy and Jason Boatswain and created from fine natural porcelain which is heat resistant, long lasting and easy to clean. Both the formula and method of producing slip-cast porcelain have been adapted and refined to create a material and an effect exclusive to Diffuse. Lighting available from stock and bespoke design service is also available.

Deca pendant lamp - an inspired 10-sided elongated droplet shape with curved, undulating spines dividing each facet – designed to create an interesting feature in any interior: it casts a warm and flattering light and can be hung singly, in a row over a table, a bar or sideboard or in a group.

Deca measures 39.5 cm high and 20.5 cm wide. RRP £96.23 inc. VAT. and

can be supplied from stock.

To order see our website www.diffuse.co.uk or call 01462 638 331.
